J&M Insurance

LPHCA members enjoy a 10% discount on policies with J&M. Members also have free use of the PH Direct software which enables Operators to monitor drivers cover online from their own office.

LCC Communications (Telephone cost savers)

LCC Communications, the LPHCA's preferred supplier for low cost telephone charges, has already helped members make significant savings on their telephone bills.

As a special incentive exclusively for LPHCA members, LCC are offering FREE line rental for the first 3 months so that members may evaluate their services.

They offer a FREE telecomms audit check to all members which has highlighted genuine savings for those who have already registered.

Whether or not you are using BT or some other alternative supplier, you will have nothing to lose by asking LCC for an analysis of your present charges.

In addition to competitive call charges, LCC also provide members with reduced charges for line rental, network service, broadband, conferencing and other telecomms services.

They will also provide members with whatever billing requirements are needed on an individual basis.

We have compared their services with other telecomms suppliers but consider LCC to offer the most genuine, cost effective solutions for our members.

Contact them today. You will find that they are a friendly and professional company to deal with and will provide you with real cost saving benefits.
